

Stockton Water System has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available, and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at:

<http://maps.umn.edu/LSI/>

you may also contact us at Stockton City Hall – 507-689-2005. To complete the service line inventory our system used service records from individual properties. As of 10/28/2024, our inventory contains 100% non-lead service lines.
